Advisory No. 049, s. 2022

MAR 24 2022

March 24, 2022

In compliance with DepEd Order (DO) No. 8, s. 2013
This advisory is issued not for endorsement per (DO) 28, s. 2001,
but only for the information of DepEd Officials,
Personnel/ Staff, as well as the concerned public.

ORIENTATION ON THE TROPICAL CYCLONE MODULE

Attached is DepEd NCR Advisory No. 067, s. 2022, dated March 23, 2022 on the above-captioned title, contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Moreover, schools are reminded of the “No Collection and No Selling of Tickets Policy” stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

ADVISORY

March 21, 2022

Orientation on the Tropical Cyclone Module

DOST-PAGASA, the country's warning agency tasked with disaster risk reduction efforts and initiatives related to weather and climate-related hazards, has developed a learning module which focuses on understanding PAG-ASA's Tropical Cyclone Warning Signals, intended for Senior High School students.

In celebration of the 157th National and 72nd World Meteorological Day, DOST-PAGASA invites **Science Teachers** to the **Orientation on the Tropical Cyclone Module for Senior High School**. The event will be conducted on **March 24, 2022** at **2 PM** via Zoom and is limited to 500 participants. Interested teachers may register through this link: <https://bit.ly/TCWSOrientation>.

For further details, you may contact Ms. Jastine Michaela Adduru of the Training, Fellowships, and Scholarships Unit at +632 8284 0800 loc 205 or via email at jmadduru.pagasa@gmail.com.

A handwritten signature in blue ink, appearing to read "DMSA", is placed above the name of the Undersecretary.

DIOSDADO M. SAN ANTONIO

Undersecretary for Curriculum and Instruction

Republic of the Philippines
DEPARTMENT OF SCIENCE AND TECHNOLOGY
Philippine Atmospheric, Geophysical and Astronomical Services
Administration (PAGASA)

17 March 2022

USec. DIOSDADO M. SAN ANTONIO
Undersecretary for Curriculum and Instruction
Department of Education

Dear **USec. San Antonio**,

DOST-PAGASA, the country's warning agency tasked with disaster risk reduction efforts and initiatives related with weather and climate-related hazards, will be celebrating the 157th National and 72nd World Meteorological Day on 23 March 2022 with the theme: Early Warning and Early Action, Hydro-meteorological and Climate Information for Disaster Risk Reduction.

In line with this year's celebration, we have developed a learning module, which focuses on understanding PAGASA's Tropical Cyclone Warning Signals, intended for Senior High School (SHS) students. The module is aligned with the current SHS Core Curriculum for Disaster Readiness and Risk Reduction and aims the following learning outcomes:

1. Describe tropical cyclones and its characteristics;
2. Recognize signs of impending tropical cyclone events; and
3. Apply appropriate measures/interventions before, during, and after tropical cyclone events.

In this regard, we would like to invite your science teachers to the **Orientation on the Tropical Cyclone Module for Senior High School** on 24 March 2022 at 2:00pm. The event will be conducted via Zoom and is limited to 500 participants. Interested teachers may register through this link: bit.ly/TCWSOrientation. For further details, you may contact Ms. Jastine Michaela Adduru of the Training, Fellowships and Scholarships Unit at +63 2 8284-0800 loc 205 or via email at jmadduru.pagasa@gmail.com.

We are hoping for a favorable response on this matter. Thank you very much!

Very truly yours,

VICENTE B. MALANO, PhD
Administrator
