APR 11 2022

Advisory No. **066**, s. 2022
April 11, 2022

In compliance with DepEd Order (DO) No. 8, S. 2013
This advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.

UP CELL BIOLOGICAL SOCIETY SIHAY

Attached is a letter from Ms. Aina Michelle D. Fabila, Public Relations and Letters Ad Hoc Committee Head, University of the Philippines Cell Biological Society, dated April 9, 2022 on the above-captioned title, contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s, 2005 entitled Instituting Measures to increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Moreover, schools are reminded of the “No Collection and No selling of Tickets Policy” stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

Greetings Dr./Mr./Ms./Mrs. **Idanan!**

The **UP Cell Biological Society (UP Cells)**, founded in the University of the Philippines Los Baños, is a student-led organization that aims to promote the field of Biology to students and mold them to become astounding young scientists.

The organization annually spearheads the **SIHAY National Biology Olympiad (SIHAY NBO)**, an event featuring activities to showcase the students' skills and passion for the biological strand. For its 24th year, the SIHAY NBO takes over the virtual domain again through **SIHAY.plugged** with the theme, "**Neoteric Speck: Zooming into the Particle Dimension of Nanobiotechnology**". The event will transpire this **April 23-25, 2022**.

In light of this, the UP Cell Biological Society **would like to ask for your endorsement of SIHAY.plugged 2022**. An endorsement from your office would greatly help in boosting the attendance for the success of the event. For further details, attached herewith is the formal letter and link for the primer of the event. For your reference, the endorsement by the Chancellor of the University of the Philippines - Los Baños is also attached in this email.

We hope to see you together with our young scientists in this year's **SIHAY.plugged**.

Scientia et Virtus!

UNIVERSITY OF THE PHILIPPINES LOS BAÑOS

Office of the Chancellor

24 March 2022

ENDORSEMENT

The University of the Philippines Los Baños (UPLB) is pleased to endorse **SIHAY.plugged 2022**, an event organized by the UP Cell Biological Society (UP Cells). The UP Cells is a duly recognized academic organization from the Institute of Biological Sciences, College of Arts and Sciences, and has been recognized by the Provincial Development Affairs Office of Laguna for their initiatives in promoting awareness and enthusiasm in cell biology among students and members of the community.

With the theme ***“Neoteric Speck: Zooming into the Particle Dimension of Nanobiotechnology,”*** the event will consist of a BIO-symposia, digital poster-making contest, science feature writing contest, junior life sciences research olympiad, and a national biology quiz contest.

The event will be held on **23-25 April 2022** through various online platforms.

For more information, kindly coordinate with the UP Cells at mobile number +63 915 064 4386 or via email at sihaynbo@gmail.com.

JOSE V. CAMACHO, JR.
Chancellor
