Department of Education
NATIONAL CAPITAL REGION
SCHOOLS DIVISION OFFICE OF MUNTINLUPA CITY

APR 12 2022

Advisory No. 069, s. 2022
April 11, 2022

In compliance with DepEd Order (DO) No. 8, S. 2013
This advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.

**WORLD ROBOT GAMES 2022-PHILIPPINE REGIONAL AND NATIONAL
QUALIFYING GAMES**

Attached is a letter from Ms. Josephine Pinky Legaspi, Regional & National Qualifying Games, WRG Philippines 2022 Chair, dated April 5, 2022 on the above-captioned title, contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s, 2005 entitled Instituting Measures to increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Moreover, schools are reminded of the “No Collection and No selling of Tickets Policy” stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

NERISSA ROXAS-LOMEDA PhD
OIC-Assistant Schools Division Superintendent

DR. DOMINICO C. IDANAN , Division Superintendent
Department of Education Division of Muntinlupa CityDear **DR. IDANAN**:

The Philippine Robotics Team for the World Robot Games is currently preparing delegates for the 2022 World Robot Games - International Championship, which will be held in Taiwan in December 2022.

The World Robot Games National Committee, in collaboration with Data Science and Technology Corporation, De La Salle Santiago Zobel School, Regional Partners, and Inex Robots, is pleased to invite students and teachers to participate in the upcoming World Robot Games Philippines-Regional & National Qualifying Games, which will take place from July 23 to August 30, 2022.

Objectives:

- 1) To improve learners' ability to face and solve gamified challenges that simulate real-life unknown situations and difficulties.
- 2) To motivate students, parents, and teachers to work together to develop student talent for STEM college choices or careers.
- 3) To encourage students to take ownership of their own learning paths and achieve their own academic objectives.

There will be a series of FREE trainings that will be conducted in the months of April, May and June 2022.

Please find attached the details of the WRG Philippines 2022 Invitation. We are praying for your favorable response.

Thank you.

Sincerely,

Josephine Pinky Legaspi

WORLD ROBOT GAMES 2022 PHILIPPINE QUALIFYING Regional & National Games

THEME: "GREENER DIGITAL CITIES"

April 4, 2022

DR. DOMINICO C. IDANAN, Division Superintendent
Department of Education Division of Muntinlupa City
Muntinlupa City

Dear **DR. IDANAN**:

The Philippine Robotics Team for the World Robot Games is currently preparing delegates for the 2022 World Robot Games - International Championship, which will be held in Taiwan in December 2022.

The World Robot Games National Committee, in collaboration with Data Science and Technology Corporation, De La Salle Santiago Zobel School, Regional Partners, and Inex Robots, is pleased to invite students and teachers to participate in the upcoming World Robot Games Philippines-Regional & National Qualifying Games, which will take place from July 23 to August 30, 2022.

Objectives:

- 1) To improve learners' ability to face and solve gamified challenges that simulate real-life unknown situations and difficulties.
- 2) To motivate students, parents, and teachers to work together to develop student talent for STEM college choices or careers.
- 3) To encourage students to take ownership of their own learning paths and achieve their own academic objectives.

There will be two levels prior to officially becoming part of the Philippine Robotics Team that will compete in the World Robot Games.

- 1) WRG Regional – players will compete online in the Line Tracing, Innovation, and One Minute Games categories. Players from the Regional level will advance to the National Level for ranking and determination of subsidy for the WRG International. Players can also choose to take part in the F2F Sumobot which will take place at a Regional WRG Games Hub. The registration fee is paid on a per team and game categories. Please check out the game rates here: <https://tinyurl.com/WRG2022PHI>.
- 2) WRG National – only the winners from the WRG Regional will be part of the National Level players ranking. **The WRG National is FREE**, players at this level do not need to pay registration fee.

WORLD ROBOT GAMES 2022 PHILIPPINE QUALIFYING Regional & National Games

THEME: "GREENER DIGITAL CITIES"

There will be a series of FREE trainings that will be conducted in the months of April, May and June 2022. Below is the initial list of online workshops, more will be added in the coming weeks.

| | | |
|--|--|--|
| April 16, 2022 Line Tracing Game Orientation – Free for everyone | April 23, 2022 Building a Sumobot – the hardware secrets – Free for everyone | April 30, 2022 Programming and Building Sumo Basic, based on Inex ATX2. – Free for everyone |
| May 7, 2022 Mastering Minute Games – only for WRG Philippines registrants | May 14, 2022 Robot Research – only for WRG Philippines registrants | May 21, 2022 Tips from WRG Innovation Winners – Free for everyone |
| June 4, 2022 Advanced LT Programming – only for WRG Philippines registrants | June 11, 2022 Sumo Basic Training – based on Inex ATX2 set-up – Free for everyone | |

Institutions may also apply as Host for the Regional Game Hubs for F2F Sumobot. All winners from regional Game Hubs shall advance to the WRG International Championships. For more details on fees and other games information, interested participants may check out <https://tinyurl.com/WRG2022PHI>.
