MS. CARLEEN S. SEDILLA CESE

School Division Superintendent
Department of Education
Schools Division of Muntinlupa City

Dear Ms. Sedilla,

Greetings from Informatics!

We are one of the pioneering Computer Schools in the Philippines providing quality education and producing thousands of graduates since 1993. With the latest development in the education system brought about by the worldwide pandemic, Informatics Philippines is one of the first to setup its Online Schooling powered by international platforms of top caliber.

This is exactly what we wish for the students of **Muntinlupa City** to experience on their Senior High School and College journey in Informatics College. Alongside with this are the following benefits:

Senior HighSchool

- ✓ No Top up Fees (Free Tuition Fee)
- ✓ No Entrance Exam
- ✓ Full Online Schooling (or Blended Learning)
- ✓ All platforms are accessible even in mobile devices.

Higher Education

- ✓ Special Scholarship in Partnership with **DepEd Muntinlupa City**
- ✓ All platforms are accessible even in mobile devices.
- ✓ Flexible Schedule
- ✓ IT Powered courses and diploma programs.

In line with this, may we humbly ask for a possible conduct of Career Webinar entitled "Master the Digital Age" among your Grade 10 and Grade 12 students. We can conduct our career webinar starting April to May 2022 for all DepEd public schools.

Informatics will provide necessary platforms to conduct the virtual career talk. We would like to also offer our free access of our e-learning platform (SkillSoft-Percipio) for the students and teachers interested to experience our online schooling.

We are looking forward for your favorable response on the matter. Thank you so much and more power!

Sincerely,

MARY ANN C. DIZON
