Greetings from the Government Academe Industry Network (GAIN) Inc.!

We are pleased to invite you to our 4th Masterclass entitled **"Hybrid Work Models in Government, Academe, Industry" on May 27 1:00-5:00 PM via Zoom.**

### A must-attend for:

Industry and School HRMD Professionals, Academics, Curriculum Implementors, Industry and Government Leaders

The workplace is evolving — will your organization keep up? In a post-COVID world, "business as usual" is going to look a little different. Some employees are eager to get back in the office full time. Others have developed a taste for remote work and want to continue working from home in the long run.

The pandemic continues to have far-reaching effects across all industries and a flexible workplace model could be the solution. Businesses of all sizes are adapting to a changing workforce, and embracing the hybrid workplace model, accommodating some combination of in-person and virtual work. In this Masterclass, participants will:

- Understand national and global trends in hybrid workspaces;
- Make sense of the flexible workplace and articulate its implications to business, training, development, and organizational culture;
- Learn the types of hybrid workspaces and why they are appealing and beneficial to companies and employees alike;
- Learn and manage the most effective blended learning models (face-to-face vs. virtual, asynchronous vs. synchronous) for Preschool, Grade School, and College;
- Assist in making a decision if this emerging workplace model is right for your organization to adapt to the evolving expectations of employees and clients;
- Gain legal insights on compliance with the policies of DOLE, CHED, and DepEd and other regulatory bodies to aid in effective transition.

This Masterclass is the fourth in a series of learning sessions organized by the Government Academe Industry Network (GAIN) Inc. with the goal of advancing global competitiveness of the Filipino talent.

Here are the rates:

- Early bird - 850 (until May 13, 2022)
- Group rate - 850 (minimum of 5 participants)
- Government rate - 850
- Regular rate - 1,000
- Walk-in rate - 1,200
