Dear Madam CARLEEN S. SEDILLA, CESO V,

Greetings!

Our Company, LearnJP Corp, is a holistic Japanese language and skills training academy under the subsidiary group of EEI Corp, a member of the Yuchengco Group of Companies, and Leoplace21, a Japanese corporation that engages in the construction, leasing and sale of residential housing, and operating various caregiving facilities in Japan.

It has always been our mission to provide caliber technical training support for the eligibility of successful Filipino candidates already in line for deployment to Japan, and are at least senior high school level graduates.

With the onset of the new employment scheme of Japan which is the Specified Skilled Worker (SSW), Japan is basically in need of different Filipino technical workforce. As for the requirements for the said scheme, below are the details.

- At least Senior High school graduate
- Japanese Language Proficiency Certificate
- Prometric Skill Proficiency Certificate
- TESDA NC II of a certain skill is an added value

This is very much timely because the K-to-12 Program of the Department of Education supports different technical skills as soon as the student reach the Senior or Junior level.

In order to maximize the potentiality of every graduates of Senior Highschool to the SSW Scheme, our academy wished to partner with different Public Senior National High schools within your jurisdiction.

We are proposing to provide the needed Japanese Language training to the Senior High school students in their chosen academic track/strand so that as soon as they will be graduating, they are already equipped with the needed Japanese Language skill.

We wish to request for your endorsement regarding this endeavor.

For further introduction of our company. Allow us to attached here the Business Profile of our company.

Thank you very much!

God bless DepEd!

Best Regards,

Ed
