05 April 2022

Dr. MALCOLM S. GARMA

Regional Director
Department of Education – National Capital Region
Misamis St., Bago Bantay, Quezon City

Dear Dr. Garma:

The **Back to Basic (B2B) Online Class Season 2** was launched by the National Research Council of the Philippines (NRCP) last **28 March 2022 (Monday)**. The B2B is a platform for presenting difficult theories or science concepts in simple language and in a fun way for kids, students, and the general public through videos and infographics. This is conducted with the aim of inspiring greater understanding and appreciation for the importance of fundamental concepts, which may lead to additional research or thinking. For this Season of B2B, the lessons are aligned to DepEd's Most Essential Learning Competencies or MELC.

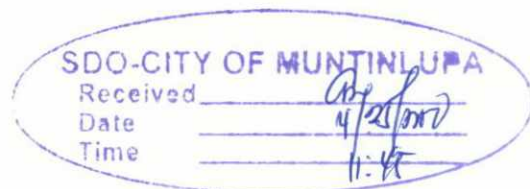

With this, we would like to request for your assistance to disseminate the aforementioned event to the schools here in our region. You may invite them through this link: <http://tinyurl.com/B2BSeason2Ep1>. Attached is the list of topics and the dates to look forward to in the online classes.

Should you have any questions and/or concerns, your staff may contact Ms. Junelyn Mae P. Evangelista at (02) 8519-8702, 0949 829 3678 or through email at mae.evangelista@ncr.dost.gov.ph.

Thank you for your continued support.

Very truly yours,

JOSE B. PATALINJUG III
Regional Director
