Dr. DOMINICO IDANAN, CESO IV
School Division Superintendent
Department of Education
City of Muntinlupa

Dear Dr. Idanan,

Greetings!

In a concerted effort to beat the dreaded Covid-19 disease and attain herd immunity, the City Health Office would like to request for the extension of services of school nurses assigned as screeners and counselors to the different vaccination site from January 3, 2022 – March 31, 2022. We firmly believe that with helping one another this world would be safer if everyone can benefit from the science and access to a vaccine.

Further, it is our intention to join this momentous event of beating Covid-19 and together We Heal As One.

Thank you very much and hoping for your favorable response to this request.

Respectfully yours,

JUANCHO H. JUNYI, MD, MPH
