DR. DOMINICO C. IDANAN
Schools Division Superintendent
Schools Division Office – Muntinlupa

Dear Dr. Idanan:

Greetings from the City Government of Muntinlupa!

Following the issuance of an Emergency Use Authorization (EUA) of COVID-19 vaccines for children by the Philippine Food and Drugs Administration, the local government of Muntinlupa launched the online vaccination pre-registration for 5 to 11 years old.

Parents and guardians are enjoined to register their children in the Muntinlupa City COVID-19 Vaccination Program (MunCoVac) as protection from the adverse effects of the coronavirus disease (COVID-19).

The registration is intended to create a database of the age group in preparation for the final guidelines from the Department of Health (DOH).

Muntinlupa residents aged 5 to 11 may be registered online through the city's COVID-19 vaccination registration system at www.vaccine.muntinlupacity.gov.ph/muncovac. The public may choose category "Pediatric A3 (5-11 yrs. old)" for those with co-morbidities and category "Pediatric/Rest of the Pediatric Population (5-11 yrs. old)" for well-child population or those without co-morbidities.

In this regard, we humbly request your assistance for the dissemination of the online registration to public schools in the city.

Attached herewith is the layout created by the Public Information Office for your reference and perusal. The pubmat may also be accessed via <https://bit.ly/PreRegistration5to11>.

For clarification and other concerns, you may reach us at (02) 8886 7091 or lingkodbayan.muntinlupa1@gmail.com.

Your favorable response regarding this matter will be highly appreciated.

Thank you very much.

Respectfully,

ROVI S. VILORIA
Acting Head, Public Information Office
City Government of Muntinlupa
