What is an Edukampyon? How can one whole institution move together to raise a whole child? What could be a good guide to follow as we journey to improving systems, processes, culture, and other facets of our school to become a whole school for the learner?

Join professionals and experts in a 2-day congress as we journey together to discover how to implement the principles of whole school approach in your respective institutions through the Bawat Paaralan Edukampyon Program. Be inspired and move as a true Edukampyon as we continue to fight to respect, protect, and fulfill the needs of every learner in every aspect of their learning journey.

This event is accredited by the Professional Regulatory Commission. Earn 5 CPD credit units by attending the 2-day congress.
