Dear Sirs/Mesdames,

The Department of Trade and Industry, through the Consumer Protection Group (DTI-CPAB), is pleased to invite you to the Sustainable Consumption and Production Roundtable Workshop scheduled on 05 July 2022 (Tuesday) from 02:00 PM – 03:30 PM via the Zoom Meeting Platform.

The Workshop is implemented under the "Sweden Collaborating with the Philippines for Global Sustainable Consumption and Production" (SCP4SCP) Project by the Swedish Research Council for Sustainable Development (FORMAS) that seeks to build a network between relevant actors in Sweden and the Philippines.

The project is organized by the Linköping University (LiU) in Sweden and the De La Salle University (DLSU) in the Philippines in collaboration with the DTI-CPG and the United Nations Industrial Development Organization (UNIDO).

This workshop will focus on discussing key elements necessary for the implementation of SCP, using the UN Sustainable Development Goals as a guiding framework. Specifically, the speakers will discuss socioeconomic backgrounds, challenges, opportunities, and possible solutions for SCP together with local practitioners adopting a global perspective. Attached are the Workshop materials, for your reference and guidance.

Interested participants may register through the link below after which you will be provided with the Zoom meeting link to the event:
