

Republic of the Philippines Department of Education National Capital Region Schools Division Office of Muntinlupa City

JUN 30 2022

Advisory No. <u>32</u>, s. 2022 June 21, 2022 In compliance with DepEd Order (DO) No. 8, S. 2013 This advisory is issued for the information of DepEd officials, personnel/staff, as well as the concerned public.

3RD SYMPOSIUM ON FRESHWATER BIODIVERSITY AND ECOSYSTEM

Attached is a letter from Prof. Hendrik Freitag, Dr.rer.nat., PSFBE2022 Conference Chair dated June 7, 2022 on the above-captioned title, contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the nodisruption-of-classes policy stipulated in DepEd Order No. 9, s, 2005 entitled Instituting Measures to increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Moreover, schools are reminded of the "No Collection and No selling of Tickets Policy" stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

Dear Dr. Sedilla:

Greetings!

The Philippine Society for Freshwater Science (PSFS), through the Department of Biology of the Ateneo de Manila University, cordially invites you and the members of your institution to attend the **3rd Philippine Symposium on Freshwater Biodiversity and Ecosystems** (**PSFBE**). This will be held on **November 9-11, 2022** at the Ateneo de Manila University, Quezon City, Philippines. Please refer to the attached letter of invitation and call for papers for more details.

For inquiries and/or concerns, please contact the conference secretariat at psfbesecretariat@gmail.com.

Thank you very much, and hoping for your favorable response.

Best regards,

Philippine Symposium on Freshwater Biodiversity and Ecosystems Organizing Committee psfbesecretariat@gmail.com www.psfs.org.ph https://web.facebook.com/PhilippineSymposiumonFreshwater/

Dr. Carleen S. Sedilla, CESO V Schools Division Superintendent DepEd Schools Division Office - Muntinlupa City Student Center for Life Skills Bldg., Centennial Avenue, Tunasan, Muntinlupa City 1774 Metro Manila, Philippines

Dear Dr. Sedilla:

Greetings! The Philippine Society for Freshwater Science (PSFS) is an organization that aims to promote scientific knowledge, contribute to the development of education, and advocate for the advancement of scientific investigations in the frontiers of freshwater science or related fields. With this vision in mind, the Department of Biology and the Department of Environmental Science of the Ateneo de Manila University will host the **3rd Philippine Symposium on Freshwater Biodiversity and Ecosystems (PSFBE)** on **November 9–11, 2022** at the **Ateneo de Manila University, Quezon City.** With the theme "**Challenges and prospects for freshwater science at the onset of UN Decade of Ecosystem Restoration**", PSFBE2022 will serve as an avenue for sharing of updated knowledge on the biodiversity and ecology of freshwater environments in the Philippines and the rest of tropical Asia. In addition, the conference will serve as a platform for networking with researchers on limnology, freshwater ecology, biodiversity, and conservation biology from around the world.

In line with this, we cordially invite you and other interested members of your institution *to submit abstracts for oral or poster presentation in PSFBE2022*. The deadline for the submission of abstracts is on **June 30**, 2022. Meanwhile, registration for non-presenting participants will also open around that time. Abstract submission and registration can be done through our website, <u>http://psfs.org.ph/</u>. Authors of accepted papers will also be invited to submit full papers for publication in a special issue of the *Philippine Journal of Systematic Biology*, a Scopus-indexed publication.

This conference is being organized together with the University of Santo Tomas, University of the Philippines Diliman, University of the-Philippines Los Baños, Laguna Lake Development Authority (LLDA), Department of Agriculture – National Fisheries Research and Development Institute (NFRDI), and Association of Systematic Biologists of the Philippines (ASBP).

For inquiries and/or concerns, please contact the conference secretariat at <u>psfbesecretariat@gmail.com</u>. Updates about the conference will be provided on the online platforms listed below. Thank you and we look forward to hearing your response.

Sincerely,

Kendil tryling

Prof. Hendrik Freitag, Dr. rer. nat. PSFBE2022 Conference Chair
