July 2022

Sa mga kasamahan natin sa paglilingkod,

Patuloy ang pagtaas ng presyo ng krudo at gasolina. Tiyak kong kayo mismo ay nararamdaman ang matinding epekto nito.

Bagama't masinop ang Pamahalaang Lungsod, halos doble na ang halaga ng presyo ng gasolina ngayon mula sa P40-P50 na presyo noong 2021, kung kailan inihanda ang 2022 fuel budget.

Kaya mas konti ang mabibiling gasolina ngayon sa parehas na halaga noong nakaraang taon; halimbawa, ang P2,000 para sa full tank noong 2021, P4,000 na ang halaga ngayon.

Sa pagtataya ng Local Finance Committee, bukod sa reserbang pondong nakatabi para sa emergency, mayroon na lamang tayong 31% sa fuel budget natin para sa natitirang kalahati ng taon.

Dahil dito, inirekomenda ng Local Finance Committee na magpatupad ng paghihigpit:

- Pagbawas ng 10% sa gasoline allocation ng bawat sasakyan ng mga tanggapan ng Pamahalaang Lungsod;
- Strategic na pag-schedule sa biyahe ng mga sasakyan para maiwasan ang short trips;
- Pag-iwas sa engine idling o pagtakbo ng makina habang naghihintay;
- Pagsasagawa ng regular maintenance checkups sa lahat ng mga sasakyan ng Pamahalaan;
- Pansamantalang pag-suspinde sa pagpapahiram ng bus, coasters at flexi trucks maliban sa official business.

Kung hindi magsasagawa ng paghihigpit sa mga polisiya ay maaaring hanggang Oktubre na lamang tatagal ang pondo para sa gasolina.

Mahalaga ang inyong kooperasyon para masigurong hindi tayo kakapusin sa budget. Hinihiling ko rin ang inyong tulong para ipaunawa sa ating kapwa Muntinlupeño kung bakit kailangan nating magpatupad ng mga ganitong paghihigpit.

Ngayon pa lang ay nagpapasalamat na ako sa inyong pakikiisa. Malalagpasan natin ito basta't tulong-tulong tayo.

Nagmamahal,

Mayor Ruffy B. Biazon

RESOLUTION No. 7

Series of 2022

A RESOLUTION AMMENDING LOCAL FINANCE COMMITTEE (LFC) RESOLUTION No. 3-22 ON RECOMMENDING MEASURES TO REDUCE THE CONSUMPTION OF GASOLINE AND FUEL AT THE CITY GOVERNMENT OF MUNTINLUPA (CGM)

WHEREAS, Republic Act 11281 otherwise known as the “Energy Efficiency and Conservation Act” mandates all Local Government Units to formulate, develop, and implement their own Local Energy Efficiency and Conservation Plan (LEECP) to ensure sufficiency and stability of energy supply in their jurisdiction in support of their local economic and social development goals;

WHEREAS, Ordinance No. 2021-296 Adopting the Local Energy Code of Muntinlupa City seeks to promote energy efficiency and conservation, facilitate the implementation of energy projects, harmonize local and national policies of energy utilization, efficiency, safety, resilience and development, and for such other related purposes;

WHEREAS, the CGM, Department of Energy (DOE) and Department of Science and Technology (DOST) conducted an Energy Audit on fuel and electricity consumption of CGM on May 13, 2022;

WHEREAS, the persisting increase in the price of gasoline and fuel affects all sectors of the economy, both private and public;

WHEREAS, based on the current and prevailing market price of gasoline and the average monthly consumption of the CGM, it is projected that the remaining budgetary allocation will be fully used up by October 2022;

WHEREAS, there is a need to control and monitor the expenses of the City Government on gasoline and fuel in view of the rising oil prices and limited budgetary of the City Government for the said purpose;

THEREFORE, BE IT RESOLVED by the Local Finance Committee to recommend the following measures to reduce the consumption of gasoline and fuel at CGM, to wit :

1. Reduction of 10% on gasoline allocation per vehicle;
2. Scheduled daily trips to avoid unnecessary short trips;
3. Avoid engine idling while waiting and/or parking ;
4. Regular preventive maintenance check-up for all service vehicles; and
5. Temporarily suspension on the use of the city buses, coasters and flexi trucks other than official business.

This is without prejudice to other relevant austerity measures the CGM may adopt to conserve and reduce fuel consumption in the City,

APPROVED by the Local Finance Committee of Muntinlupa this 4th day of July 2022.
