Sir/Madam,

Section 3 © of RA 9184, and its 2016 Revised IRR mandate that all procurement shall be governed by the principle, among others, of having streamlined procurement process that will uniformly apply to all government procurement and shall be simple and made adaptable to advances in modern technology in order to achieve and ensure efficient and effective methods. Section 8.1.1. of the same IRR provides that the PHILGEPS shall serve as the primary and definitive source of information on government procurement, and provides that eventually PHILGEPS continues its modernized efforts to expand its functionalities so that Government may have a fully electronic government procurement system with full functionalities at each stage. As of this time, the Modernized PHILGEPS (MPhilGEPS) is on pilot implementation and that full implementation will be realized by 4th quarter 2022 or early 2023.

Given that, and in order to respond to the e-procurement needs of most procuring entities, E-BLACKBOARDS LEARNING and SOLUTIONS, Inc.
