Dear Ms. Sedilla:

Greetings!

Solid waste management is one important factor in the schools' sustainable development; it is vital that the Public Schools should be encouraged to participate in the Solid Waste Management Practices of the City as part of its ten-year Solid Waste Management Plan, pursuant to Section 17, paragraph (i) of Republic Act 9003 (Ecological Solid Waste Management Act of 2000).

In lieu of the matter, we would like to request a visit to assess how we can provide support and assistance to our schools on their existing solid waste management practices and facilities from **August 15 – 19, 2022**. Also, attached herewith is the school evaluation form that will be used and filled out prior the visit so we can proceed accordingly.

Should you have any concerns, you can contact our focal person, Mr. Brian Angelo G. Limon, ME (+639150726147) or through our E-mail address muntinlupacityesc@gmail.com.

Thank you for your continued cooperation.
