1. The Department of Health (DOH), as mandated by President Ferdinand R. Marcos, Jr., launched a stronger nationwide vaccination campaign, which aims to increase the number of Filipinos to be vaccinated. To make vaccines accessible to our learners, the City Health Office of Muntinlupa targets schools as recipient for their 1st week (August 15-19, 2022) of vaccination activity.
2. In this regard, all schools are enjoined to encourage learners to get the primary series and booster shots in preparation for the full face-to-face classes.
3. For better planning of logistics to be used, schools shall submit to the Division Office, through the Health and Nutrition Unit, the total numbers of learners, teachers, non-teaching personnel to be vaccinated, on or before **August 10, 2022**.
4. Immediate and wide dissemination of this Memorandum is desired.
