MS. CARLEEN S. SEDILLA, CESO V
Schools Division Superintendent
Department of Education-Schools Division Office
Muntinlupa City

Dear Ms. Sedilla,

Greetings of good health!

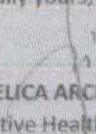

In line with our goal to protect the community against vaccine-preventable diseases, the City Health of Muntinlupa will be holding a virtual program for Cervical Cancer Awareness entitled "Ano ang HPV at mga Sakit na Dulot nito" on 02 September 2022 from 9:00am to 11:30am which is part of the celebration of the Adolescent Immunization Month and trust that the conduct of this program is both timely and necessary.

In view of this, as we are aware of the support you continue to extend to the NIP, we would like to respectfully invite you to grace this multisectoral initiative to share a brief *message of inspiration*. By doing so, we hope to educate and encourage more parents of the Grade 4 female learners ages 9 – 14 years old and have them vaccinated against future HPV-related cancers in line with the Department of Health's-Healthy Pilipinas campaign for HPV vaccination in adolescents.

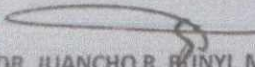

Additionally, we would also like to request your participation to record a short video message of commitment to support the City Health Office of Muntinlupa's immunization programs and campaigns. This message will be used as part of our Kalasag ng Kalusugan (with a sample spiel attached-Kalasag ng Karunungan) that symbolizes the unceasing and collaborative efforts of different government and private sector agencies in protecting our children from vaccine-preventable diseases.

Thank you and we look forward to your positive response to this invitation and request.

Respectfully yours,

DR. ANGELICA ARCIAGA
Reproductive Health and Family Planning Manager
