## COMPANY PROFILE

### VISION

A leading publication for teachers in the Philippines serving as a premier advocate for the advancement of teachers and the education system as a whole.

### MISSION

To provide teachers an opportunity and platform for professional publications and authorship and to assist teachers in attaining requirements for promotion and professional growth.

### RATIONALE

The roles and functions of teachers inside the classroom have evolved over the years. They are not only confined to the traditional set-up of education but also accepted the challenge of being multi-faceted educators. Teachers write their thoughts and use this macro skill to influence both their students and colleagues.

To support the teachers in this endeavor, Aloysian Publications came up with the EDUCATORS' LINK providing teachers an opportunity to publish literary, journalistic, science, and research articles in a fine printed monthly magazine. The magazine also allows teachers to meet the requirements promulgated under DepEd Order No. 66 s. 2007 also known as the Revised Guidelines on the Appointment and Promotion of Other Teaching, Related Teaching, and other Non-Teaching Positions.

Its scope is national level as approved by the Department of Trade and Industry (DTI) and was granted accreditation by the National Library of the Philippines with ISSN: 2782-859X. Its circulation is international since there are contributors from other countries.

This publication serves as a forum about issues and concerns under education. The Educators' Link is an opportunity to air the voice of the teachers to the whole world as we all advocate for Educational Equity. Let their voice be heard, let's get them published!

Aloysian Publications is so proud to produce the number one teachers' publication in the country, the **EDUCATORS' LINK**, a national and international monthly professional magazine for teachers with its maiden issue dated February 2021 and now continuously growing, circulating Luzon, Visayas and Mindanao and other countries around the globe.
