SUBJECT: REQUESTING THE LIST OF SENIOR HIGH SCHOOL IN THE CITY IN LINE WITH THE CELEBRATION OF THE 33RD NATIONAL STATISTICS MONTH (NSM)

Dear Dr. Sedilla,

Greetings!

October is the celebration of National Statistics Month (NSM) according to the Presidential Proclamation No. 647 issued on 20 September 1990, signed by then President Corazon C. Aquino. The annual observance of NSM aims to promote, enhance, and instill nationwide awareness and appreciation of the importance and value of statistics to the different sectors of society and by eliciting the cooperation and support of the public in upgrading the quality and standards of statistics in the country.

The Philippine Statistics Authority (PSA) is spearheading the nationwide celebration of the 33rd NSM with the theme "Boosting the Country's Recovery with Informed Decisions, Better Policies." On the other hand, PSA Regional Statistical Service Office (RSSO)-NCR will conduct inter-city/municipal and interschool contests.

With this, the NCR Provincial Statistical Office V will conduct on the 2nd week of October the city-level elimination round in different contests: (1) Poster-making contest, (2) Essay-writing contest, (3) Comic Strip contest, and (4) Statistics Quiz. In preparation of the said activity, we would like to request the list of Senior High School and other necessary information including School Principal, Address, Contact Person, Contact Number and official School Email Address. May we also request that all Senior High School should have a representative in every contest. Another communication letter will be sent to SDO and participating School.

Winners will then serve as a representative to the regional championship set on the third to fourth week of October 2022. Should you have queries regarding this letter, contact us at **8834-1601**, or psa.ncr.pso5staff@gmail.com / psa.ncr.pso5.r.chuajap@gmail.com and may look for Mr. Raymond A. Chuajap.

Thank you very much and hoping for your kind consideration.

Very truly yours,

ESTRELLA R. VARGAS
Chief Statistical Specialist
