Schools Division Superintendent- Muntinlupa

Dear Ms. **SEDILLA**,

The TECHNOLOGICAL INSTITUTE OF THE PHILIPPINES (T.I.P.) is a private higher education institution that offers outcomes-based education (OBE) with programs in Engineering, Architecture, Computing, Business, Arts, and Education, among others. T.I.P. has 2 campuses located in Quezon City and Manila. Both are granted Autonomous Status by the Commission on Higher Education (CHED).

One of T.I.P.'s advocacies is about empowering the youth through career orientation initiatives. This is to ensure that Senior High School students are well-oriented on possible career options for various degree programs in College. But to take it a step further, T.I.P. also provides career guidance to help address individual psychological issues in the form of counseling sessions. This includes online resources, group learning experiences and the like which are primary needs of our high school students.

May we ask permission and endorsement through all the high school Principals in your Division to conduct online/face-to-face Career Guidance for the 2023 Senior High School graduating students and Grade 10 Completers?

Our contact number is 8736-2580 and email address is [delacruz.sro@tip.edu.ph](mailto:delacruz.sro@tip.edu.ph). Kindly ask for Ms. Aubrey Shaine D. Dela Cruz.

Thank you and we look forward to your favorable response to our request.

Truly yours,

Prepared By:

Aubrey Shaine D. Dela Cruz
