**Dear Ms. Sedilla,**

LINK Center for the Deaf Inc., in partnership with Misereor and Miriam College Growth Upgrading and Resource Office (MC GURO), is currently providing a series of webinars to public school teachers under its Online Teacher Enhancement Program (OTEP) 2022. The program aims to help equip teachers, particularly general education teachers receiving learners with difficulties (LWDs) with knowledge and competencies in managing an inclusive classroom and providing effective instruction for LWDs.

An important part of the webinar series is a discussion on Encouraging Inclusive Education Practices and Establishing Inclusive Learning Resource Centers. We have invited current and former officials from the Department of Education to facilitate the conversation with classroom teachers which aims to help them be able to identify some key strategies and activities in promoting school-wide education practices as well as gain insights on organizing and supporting Inclusive Learning Resource Centers.
