Dr. **CARLEEN S. SEDILLA**
Schools Division Superintendent
Division of Muntinlupa
Centennial Avenue, Laguerta
Brgy. Tunasan, Muntinlupa City

Dear Dr. Sedilla,

In observance of the National Teacher's Month Celebration and in line with the Department of Education's theme "**Gurong Pilipino, Dangal ng Sambayanang Pilipino**", SEAMEO INNOTECH will conduct a Knowledge Forum entitled "**Hand in Hand we Stand – Parents, Teachers and the Community making a better world for our students.**" The forum will be held on Friday, 30 September 2022, from 1:00 to 5:30 pm at the Pearl Hall, SEAMEO INNOTECH in Quezon City.

As given in the theme, the knowledge forum seeks to inspire teachers and parents to collaborate and work together to ensure that children keep learning during the pandemic. Engaging the community creates a sense of responsibility for taking care of each other and embracing collective action toward our common goal. Despite these challenges during the pandemic, "Learning (or education) had to take place no matter where, no matter how, no matter what."

In this respect, we wish to invite three (3) teacher representatives from your Division to participate in the above-mentioned Forum, to be convened face to face at INNOTECH. Registration is free; the participants, however, should register online in order to reserve a slot. In compliance with our health and security protocols, only a limited number of participants can be accommodated in the face-to-face session, hence the need to confirm registration at least 3 days before the event. Attached for your kind reference is the tentative Program of Activities, as well as the registration link through which the participants could register online (<https://bit.ly/NTMforum2022>).

Our staff, Mr. Jason Parafina, will coordinate with your Office regarding this invitation. Please feel free to contact him at e-mail address jason@seameo-innotech.org or mobile number 09171002504.

Thank you very much and we look forward to welcoming our teachers from Muntinlupa City.

Very truly yours,

LEONOR MAGTOLIS BRIONES
Center Director

SEAMEO INNOTECH National Teachers Month Forum 2022
**Hand in Hand we Stand – Parents, Teachers and the Community making a better world for
our students**
