PLEASE BE CAREFUL WITH MY HEART

(Teacher and Student Version)

(Student)

God has made me loved and precious,
so be careful with my heart.
I believe you when you tell me
that I'll have a brighter life.
You light my way in the dark.
Now I'm living with hope and love,
And 'til life is through,
I'm still inspired by you.
I put my trust in you, as you promise to help me grow.
From the very start, please be careful with my heart.

(Teacher)

I love you, and you know I do;
I am always here for you.
Promise, I will help you grow;
I will treasure and value you.
God has planned your life for a purpose,
through the hardships that had you broken.
You've been burned and
you've been hurt before..
and I know just how you feel;
trust that I will care for you.
I'll be gentle with your heart, and protect you through and through.
I will fight beside you in troubles.
I won't let your world fall apart.
From the very start, I'll be careful with your heart.

Chorus: (Teacher and Student)

Student: You light my way (Teacher: I'll be your guide) in the dark
Now I'm living with hope and love (You've learned from the past)
And 'til life is through, I'm still inspired by you
I put my trust in you (also to you), as you promise to help me grow.
So from the very start, please be careful with my heart
From the very start (from the very start), from the very start (from the very start)
Please be careful with (I'll be careful with) (Your) (my) heart

Mechanics

Please Be Careful With My Heart: Teacher-Student Duet Challenge

(Via Zoom to be streamed live at the SDO Facebook Page)

October 4, 2022

- The activity will be conducted as part of the National Teachers' Month Celebration, in partnership with the Metrobank Foundation and the *I AM SAM Foundation*, with the special participation of OPM Hits Singer Mr. Jose Mari Chan.
- The contest piece is an adaptation of "Please Be Careful with My Heart," a teacher-student song version with lyrics that focus on developing mutual trust and harmonious relationship between teachers and students, thus promoting Child Protection in schools.
- Teachers and students who intend to participate in the activity shall come up with a creative "Music Video," combining different elements such as singing, interpretative dancing, acting, and other applicable strategies. Any musical genre or style for the song rendition may be used in the performance, as long as the lyrics are not changed.
- The competition is open to all public elementary and secondary (JHS and SHS) schools of SDO-Muntinlupa. There is no limit on how many entries the schools can submit. Interested schools may send their music video entries of their Teacher-Student virtual duet to this Division on or before **October 1, 2022**. All videos shall be uploaded to the folder: <https://tinyurl.com/NTMChallenge>, with proper school label or file name.
- The names of the contestants (teacher and student) and their school shall be indicated in the first slide of the video. In case there are back-up actors/actress, directors, video editors, and other support teams to be acknowledged, their names may be included in the credits section at the end of the video, but they will not be part of the official list of contestants.
- All of the submitted videos will be pre-judged and shortlisted by the I AM SAM Foundation to select the Top 10 finalists. The video entries of the chosen finalists will be played during the actual program to be held on **October 4, 2022** via Zoom and Facebook Live. The board of judges will evaluate the said entries using the attached criteria for judging.
- The announcement of winners will be done during the Culminating Program for the National Teachers' Month and World Teachers' Day Celebration on **October 5, 2022**.
