Dear Sir/Madam;

Greetings from the MOL Magsaysay Maritime Academy (MMMA)!

We are a pioneering maritime school located in Dasmarinas, Cavite. Recognizing the tradition of excellence of Filipino seafarers, Mitsui OSK Lines (MOL) of Japan and Magsaysay Maritime Corporation of the Philippines established MMMA to train the next generation of globally competitive Filipino merchant marine officers. We offer world-class maritime education programs that lead to rewarding employment opportunities that could bring a bright future to many families. We also offer financial assistance to qualified applicants.

We wish to make this opportunity available to as many young Filipinos as possible.

Please see the attached letter from our Academy President Dr. Michael C. Morales.

Thank you very much!

Sincerely,

**Karen Marquez, MATL** | Marketing & Admission Officer

**City School Division of Muntinlupa City**

Dear Ms. Sedilla,

Warm Greetings from the MOL Magsaysay Maritime Academy (MMMA)! We hope this reaches you well.

We are now accepting applicants for admission for academic year 2023-2024. Knowing that our country is recovering from the pandemic and that face-to-face classes are being conducted in different schools, we would like to conduct **Career Orientation** among SHS graduating students.

In view of the foregoing, may we know if you can give us an endorsement to visit Senior High Schools in Muntinlupa City and other neighboring cities or municipalities to do a Career Talk for aspiring graduating students.

With this initiative, we hope the promising youth of Cavite who aspire to for a maritime career would have an easier and safer access to MMMA.

At MMMA, we train cadets for life, not just a job!

May we look forward to hearing from you soon. God bless and do stay safe!

Very truly yours,

**Dr. Michael C. Morales**  
President
