Greetings!

The Department of Environment and Natural Resources, through the Forest Management Bureau (DENR-FMB), has been conducting **ForeSTAR** since 2017 to promote and raise awareness on the importance of Philippine forest resources to communities. ForeSTAR aims to introduce non-timber forest products (NTFPs) to people, especially to students, to appreciate various resources, other than timber, that can be derived from forests.

From Parol-Making Competition in 2017, On-The-Spot Banig-Painting Competition in 2018, Bamboo Belen-Making Competition in 2019, Digital Art Competition in 2021, ForeSTAR aimed to showcase the versatility of NTFPs to be transformed into useful products. In its fifth year, the DENR-FMB wishes to feature more NTFPs through a **Christmas Tree-Making Competition**.

In line with this, we would like to invite your schools to participate in "ForeSTAR 2022: Christmas Tree-Making Competition" which will be held on December 7, 2022 at a venue to be announced later. The competition is open to all **public high schools** in the National Capital Region. Interested schools can register through this link: <https://tinyurl.com/forestar2022> on or before **10 November 2022** at 5:00 PM For more information regarding the event, enclosed herewith is the mechanics for your ready reference.

Our staff, For. Claudett Endozo, will further coordinate with you regarding the matter. Should you have need for further information to assist you in the appreciation of our request, you may contact her at (02) 8926-2141 or at iec@fmb.denr.gov.ph.

We are looking forward to your favorable response.

Thank you very much.
