Dear DR. CABRAL:

Cordial greetings from the GEO-Global Educators Professional Enhancement International Inc.(GEO) and STI West Negros University (STIWNU).

The GEO-Global Educators Professional Enhancement International Inc (GEO International) in partnership STI West Negros University (STIWNU) will hold an International Educators' Conference (IEC 2023) on February 22-24, 2023 at STIWNU campus with the theme:

**"Education for the 21st Century and Beyond: Confronting Educational Challenges and Meeting Global Demands."**

The conference will be participated in by global educators such as administrators, department heads, teachers, and other professionals. The conference will feature Filipino and foreign prominent speakers and experts in education. The conference aims to:

- 1) provide a forum for educators, researchers, and practitioners to share knowledge and current trends related to the aforementioned theme.
- 2) provide the opportunity for teachers to learn about the emerging field of innovative and transformative education and how it can enrich the field of education in general.
- 3) facilitate discussions and inspire participants to apply innovative and neuroscience-based methods in their teaching.
- 4) promote strong collaboration among the participants and institutions through the break-out sessions.
- 5) provide presentations and workshops, based on peer-reviewed scientific inquiry that gives a greater understanding of the educational challenges and how these demands can be met to help the students.

A registration fee of Six Thousand Pesos (6,000.00 PHP) will be charged to each participant. This is inclusive of the conference certificate, hand-outs, lunch, and snacks for 3 days. Attendees will also receive a Professional Development TESOL Certificate equivalent to 20 hours, which can be credited to the 120-hour TESOL Certification Course that they can pursue any time after the conference.

GEO and STI West Negros University, duly recognized corporations under the laws of the Philippines, provide various services in the fields of language education, teacher education, curriculum development, management for conferences, and consultancy. GEO provides Teaching English to Speakers of Other Languages (TESOL) certificate courses and Research Publications.

#### Our Plenary Speakers are:

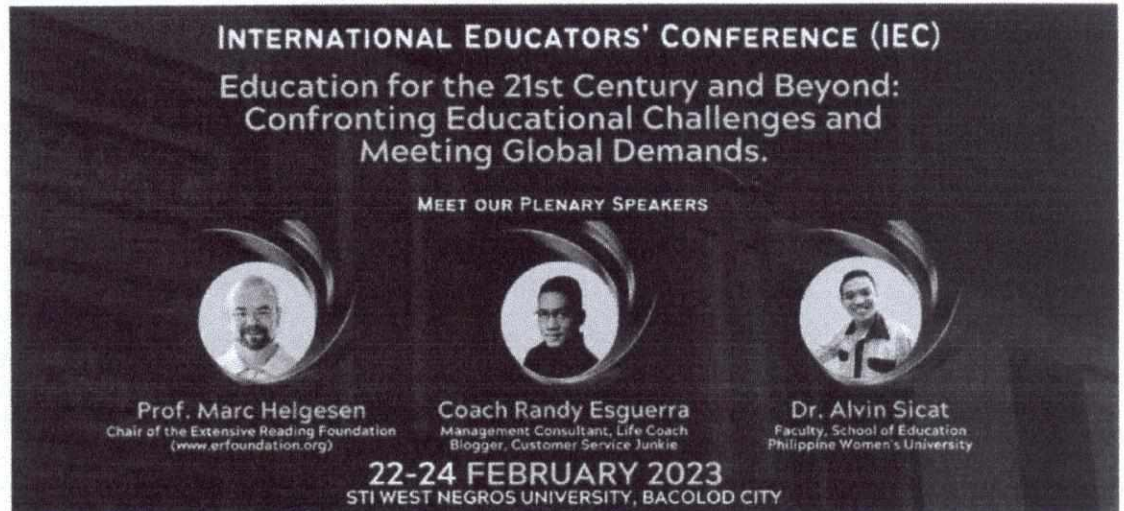

- **Prof. Marc Helgesen**, Marc Helgesen, professor emeritus, Miyagi Gakuin Women's University, Sendai, Japan is the author of over 200 academic articles, textbooks, and books including English Teaching and the Science of Happiness (ABAX) and the English Firsthand series (Pearson). He has been an invited speaker at conferences on five continents. He is a former chair of the Extensive Reading Foundation and works to create a link between English Language Teaching and Positive Psychology and Mind / Brain / Education.
- **Coach Randy Esguerra**, Management, Consultant, Life Coach, Blogger - Probably one of the country's more intriguing speakers and consultants due to his personal style of training and engagement. A born introvert, he believes he is his own audience. With his background in music, he knows his ideas need to connect with those who matter, who have a hunger to learn, and not necessarily to everyone. He provides free life coaching through his website [www.successcoach.com.ph](http://www.successcoach.com.ph) and regular features on customer service, leadership, personal development, and excellence through TAPSIBLOGS, his weekly posts.
- **Dr. Alvin Sicat, ALVIN S. SICAT, LPT, Ph.D.**, is a former broadcast announcer and a homeschool teacher for children with learning differences. He is often invited by various institutions as a resource speaker and trainer on innovative and brain-friendly teaching pedagogy specifically Mind, Brain, and Education (MBE) Science, NeuroELT, and the Science of Happiness. He holds the following academic degrees: Doctor of Philosophy (Ph.D.) major in Curriculum and Supervision (WITH HIGHEST ACADEMIC DISTINCTION) from Centro Escolar University; Master of Arts in Education major in English (BENEMERITUS) from the College of the Immaculate Conception, Cabanatuan City, Nueva Ecija and Bachelor of Arts in Mass Communication-Broadcast (CUM LAUDE), Centro Escolar University.

**GEO-Global Educators**  
Professional Enhancement  
International Inc.

At present, he is teaching Professional and Major Subjects in Education both in the Graduate and Undergraduate programs of The Philippine Women's University, San Beda College Alabang, Saint Jude College and Republican College – PHINMA EDUCATION NETWORK and Pamantasan ng Lungsod ng Muntinlupa after his full-time teaching career at Centro Escolar University where he was awarded the 2012 Teacher of the Year.

Researchers will be invited to present their papers during the concurrent break-out sessions.
