Dr. Sedilla,

Trinitian Greetings!

The Education Department of the College of Arts, Sciences and Education of Trinity University of Asia is set to conduct virtually this year's Pedagogical Technology with Values Education (PTVEd) on December 2 and 3, 2022 with the theme: Enhancing the Assessment Capacity of Curriculum Implementers

The two-day conference aims to capacitate the participants on the development, organization, utilization, interpretation, and evaluation of assessment results. The sessions will also highlight the considerations in designing appropriate and effective assessment strategies for various learning modalities and most importantly, how assessment results will be effectively used by the participants in making instructional evaluations, reforms, and decisions.

We have invited expert resource speakers with which topics assigned to them based on their field of expertise. A minimal resource speaker's fee will be given to them. To be able to fund all conference-related expenses, we will be charging a Registration Fee of Four Hundred Pesos (Php 400.00) per attendee. 10 PRC ACCREDITED CPD POINTS will be given to all registered attendees. Please see the attached poster about PTVED virtual conference. For other concerns, please do not hesitate to contact me through this email, [mtdcardano@tua.edi.ph](mailto:mtdcardano@tua.edi.ph)
