**Dear Ms. Sedilla:**

Fervor greetings from Olivarez College!

Olivarez College advocates a standard of teaching-learning environment that addresses the need for advancement of our students as we provide them with great opportunities in preparation for their future endeavors. Additionally, Olivarez College prides itself on the recognitions given by external quality assurance organizations under the Federation of Accrediting Agencies of the Philippines (FAAP) such as: The Philippine Association of Colleges and Universities Commission on Accreditation (PACUCOA) and the Philippines Association of Accredited Schools, Colleges and Universities (PAASCU).

Our institution has a strong research capability, adequately designed and implemented curriculum and a comprehensive corporate social responsibility framework. We are creating a trifocal paradigm in higher education with transformative education, groundbreaking research and proactive extension as a core.

Alongside with this, we would like to request from your good office to allow us to participate in the career orientation program and to provide us with online or virtual career talk so we can promote our academic offerings and scholarship programs to all graduating grade 6,10 and 12 students. Rest assured that we will comply with the no-collection and no-disruption-of-classes policies.
