Schools Division Superintendent
Schools Division of Muntinlupa

Dear **DR. SEDILLA**,

Greetings!

The Ospital ng Muntinlupa, in collaboration with Pamantasan ng Lungsod ng Muntinlupa, had successfully started the Doctor of Medicine program after being approved and duly recognized by the Commission on Higher Education (CHED) last September 12, 2022. Relative to this, we will be expanding our program offering. First is the creation of the College of Nursing that will offer a Bachelor of Science in Nursing program. As part of the preparation, a feasibility study must be done and be submitted to CHED.

In view of the foregoing, we would like to ask permission for us to conduct a survey regarding career choices among Senior High School students of Muntinlupa City. The data gathered will help us project the number of potential students to enroll in our program. Shall this merit your approval, we would also like to ask for your kind assistance in disseminating the survey tool to different schools with senior highschool students in Muntinlupa City.

Attached in this letter is a copy of the survey tool for your perusal. Should you have questions or inquiries regarding this matter, I may be reached at +63 917843 7092 and training.osmunpcs@gmail.com.

Respectfully yours,

Hussein Catanyag
