Dear **Ms. Sedilla**:

Greetings!

We commend your good office on the report presentation and updating of the City Nutrition Committee (CNC) on the continuous monitoring of the Gulayan sa Paaralan as well as the WINs program in all public elementary and high schools despite the current pandemic situation that we are facing right now. The members of the nutrition committee are interested to conduct a visit on the two aforementioned programs in the different public elementary schools which will be included as the CNC activity on monitoring of nutrition programs.

In this regard, may we ask your good office to allow four-member team of the committee to conduct the monitoring visit on **November 25, 2022** in at least 15 elementary schools? We would also like to request the assistance of Ms. Ma. Teresa S. Indap in the conduct of this said activity.

Your favorable response to this request will be greatly appreciated

Thank you very much.

Sincerely yours,

JUANCHO H. BUDYI, MD, MPH
