Learning and Doing Mathematics with Prof. Loh

A seminar for elementary to senior high school mathematics teacher-coaches from the National Capital Region entitled **Coaching and Doing Mathematics** shall be held on January 7, 2023 at Kaban ng Hiya: Cultural Center, Historical Museum and Convention Hall, Mandaluyong City Hall Complex, Mandaluyong City from 2:00 pm to 4:00 pm. Speaker is Prof. Po-Shen Loh, the national coach of the USA International Mathematical Olympiad team. He will share his journey in using mathematics and invention in promoting the teaching of advanced math education using modern solutions.

This is free of charge and will be a good opportunity for the NCR teacher-coaches to learn from the experience of a mathematics educator and coach in developing problem-solving skills of learners.

Prof. Po-Shen Loh He is a math professor at Carnegie Mellon University and has pioneered innovations ranging from a scalable way to learn challenging math live online at comparable engagement to live-streaming entertainment, to a new way to control pandemics by leveraging self-interest. He has earned distinctions such as United States Presidential Early Career Award for Scientists and Engineers. He has featured in or co-created videos totaling over 17 million YouTube views. Wilfredo E. Cabral
Regional Director
Department of Education - NCR

Dear Mr. Cabral:

On behalf of Prof. Po-Shen Loh (Carnegie Mellon University and Head Coach of Team USA International Math Olympiad Team), I would like to submit to you this letter of request. I'm currently helping Prof. Loh establish contacts with a few Philippine schools and education related organizations. This includes reaching out to the Department of Education and we're hoping that we could establish ties with the DepEd-NCR and reach the math community through your office.

Prof. Loh will be visiting Manila this coming January 5 - 7th, 2023. He's scheduled to do a talk / meet and greet events with the following:

- a. University of the Philippines - Diliman (Jan 5th at 3-5pm)
- b. Ateneo De Manila University (Jan 6th - all day event)
- c. Far Eastern University (Jan 7th at 9-11am).

We would like to formally request for your approval in allowing Prof. Loh and his team to conduct a 2 hour afternoon lecture for the DepEd-NCR's math community. We have the afternoon (2-4pm) of January 7th, Saturday made available for elementary to senior high school math teachers and coaches. During this time window, Prof. Loh will share his journey in using mathematics and invention in promoting the teaching of advanced math education using modern solutions.

For more reference regarding Prof. Loh's work, you may refer to his public websites:

<https://www.poshenloh.com/>
<https://www.cmu.edu/math/people/faculty/loh.html>

Prof Loh's public talk will be non-technical and aimed towards the general educator audience in the hopes of inspiring them to appreciate the value of mathematics in bringing positive changes to their lives and their students as well.

Department of Education Mail - Prof. Po-Shen Loh's Manila visit and establish contact ties with DepEd-NCR

If approved, Prof. Loh and myself would be coordinating to arrange this proposed talk with your office through Ms. Bernadeth Daran.

We are looking forward to hearing from you soon.

Thank you very much and best regards,

Christian Prado
(Prof. Po-Shen Loh's Philippine representative)
