Sir:

Greetings of peace and goodwill in 2023.

The Bureau of Plant Industry (BPI) which is one of the agencies under the Department of Agriculture is celebrating its 93<sup>rd</sup> Anniversary on January 16-20, 2023 with the theme **"BPI @ 93: BOOST, PROMOTE, INNOVATE: CHAMPIONING FOOD SECURITY THROUGH PROACTIVE PLANT INDUSTRY.** We have lined up different activities to show our commitment to ensure food security and food safety. One of the activities is a lecture on Vegetable Production on January 18, 2023 at 9:00 A.M. The venue will be at the Conference Room of the Bureau of Plant Industry, San Andres St., Malate, Manila. We have invited the former Chancellor of the University of the Philippines at Los Banos to share his vast experiences on vegetable production.

As our partner and with the intention of our Office to expand and encourage school to engage in food production, we are pleased to invite four (4) teachers from your City School Division to the said activity. May we request that those who will participate are teaching agriculture either in Elementary or High School levels. A Certificate of Appreciation, garden tool sets and starter vegetable seeds will be given to them. The participants will be part of our pool of experts on vegetable production on school level.

One of our staff will coordinate with your Office.

Thank you very much, and we look forward to a more productive partnership with the Department of Education.

Very truly yours,

  
**GERALD GLENN F. PANGANIBAN, Ph.D.**  
OIC-Director
