Dear **Dr. Rocha:**

The Department of Education (DepEd) is mandated by law to provide quality basic education by establishing and maintaining functional libraries that will support the challenges of 21st century learning. In order for the DepEd libraries to contribute in the attainment of the educational goals of the department, a set of standards in establishing a library shall be followed in all levels of governance from Central, Regional, Schools Division Offices, library hubs, and in public schools.

At this time, DepEd is finalizing the *Guidelines on the Identification and Procurement of Supplementary Learning Resources (SLRs) for Public School Libraries and Library Hubs*. Relative to this concern, this Office together with the Bureau of Learning Resources (BLR) would like to officially visit your library considering it as a premier library due to Muntinlupa National High School's innovations and primary services provided. DepEd intends to benchmark the Muntinlupa National High School Library to gain information and gather insights on how we can improve our provision of quality information resources, services, and programs in public basic education schools.

Mr. Marlon G. Ompoc, Librarian II of the BLR, will coordinate with your office regarding this matter. For any query or clarification, please contact Mr. Ompoc at telephone numbers (02) 8631-9294 or (02) 8634-1054 and email address marlon.ompoc@deped.gov.ph copy furnished blr.lrqad@deped.gov.ph. For the arrangements related to the visit, we are willing to go at a day and schedule convenient to you.

Thank you in anticipation of your positive response to this request and for your support to DepEd activities.

Very truly yours,

ARIZ DELSON ACAY D. CAWILAN
Director IV
