In line with this celebration we, the Public Dentists of Muntinlupa in cooperation with Muntinlupa Dental Chapter, have lined up several activities to promote dental awareness in our communities including the public schools.

One of the said activities will be the slogan / poster making contest which we intend to held at the DepED - Division Office Conference Room this coming February 2. Feb 13, 2023
We would like to invite participants from grade 8 students from public schools to participate in this contest.

Hoping that this will merit good response from your office.

Sincerely,
