*Schools Division Head*  
*Department of Education – Muntinlupa*

Dear Ms. Sedilla;

Good day!

In line with the ongoing campaign against dengue, the City Government of Muntinlupa, through the City Health Office (CHO), is encouraging every office, household, and school to help us share information on dengue and how to prevent it.

In this regard, we would like to request the inclusion of educational materials on the discussion about dengue and its prevention in their health subject, for public and private schools. Attached is the Google Drive link where you can find information, education, and communication (IEC) materials that can be used in class and at school.

Link: <https://bit.ly/DengueMats>

We will update the link every time we have new content. More information about this campaign is on the Facebook pages of the City Government of Muntinlupa and the City Health Office of Muntinlupa.

Should you have any clarifications or questions, you may call the City Health Office at 85141-4187.

Looking forward to being with you in protecting the lives of every Muntinlupeño against dengue. Thank you very much.

Sincerely,

**Dr. Juanchito H. Bunyi**
