 Superintendent
 Department of Education - Muntinlupa Division

Dear Ms. Sedilla,

Greetings!

The **Junior Achievement of the Philippines, Inc. (JA Philippines)** – is a non-stock, nonprofit organization, with a mission to promote and train future young entrepreneurs through active participation in business mentorship and innovative diverse programs addressing the needs of the current generation. As a member of JA Worldwide, we are proud that the organization has been nominated for the 2022 Nobel Peace Prize Award, and recognized as one of the Top 10 NGOs for the fourth consecutive year by thedotgood (formerly, NGO Advisor).

The **Cha-Ching Program** is a **financial literacy** program that aims to teach **Grade 4 to 6 students** financial literacy through basic money management concepts integrated in their curriculum, as part of the 360 degree approach to effectively form healthy financial habits that they can bring to adulthood. In this program, 462,464 students from several DepEd Divisions across the country participate in educational activities like learning modules that can expand their knowledge on Earn, Save, Spend and Donate. Piloted in the Negros Occidental Division, this program has been a partner with SDO-Negros Occidental for 4 years already. Furthermore, a few Cha-Ching activities like the Alkansya Challenge, Cha-Ching Club, Quiz Day, Donation Drives, and some take home activities were crafted to foster healthy money habits.

Throughout the years, our advocacy to foster financial literacy has been successful with the help of our hands-on and proactive Cha-Ching Coordinators across different schools and divisions in the country. With this, we would like to exclusively invite you to the following Cha-Ching activities:
