The LEGS aims to educate students on the rights, responsibilities and privileges of workers and employers that is inclusive and free from gender-based discrimination. It is the general objective to provide information to promote the full integration of all workers, particularly of women and vulnerable sectors, in formal labor arrangements to ensure decent jobs and social protection. Moreover, the LEGS, we will be able to help our students become familiar with the mandatory social protection programs of the National Government.

For this year, we wish to roll - out the LEGS program that will serve approximately 5,500 Grade 12 TVET, TVL and College (2-year course) Graduating Students in both Private and Public Schools in Muntinlupa. These are:
