Attention: **JENNIFER F. VIVAS**
CLMD Chief

Dear **Dir. Cabral**:

The Bureau of Learning Resources (BLR) proposes to conduct a **Consultative Conference on the Monitoring and Evaluation of Learning Resource Development Centers and School Libraries Needs Analysis** in the second quarter of the year 2023. During this conference, one of the objectives is to finalize data of school library profiles nationwide based on the attached monitoring tools.

Currently, BLR's database on the said school library profiles is shared with the regional librarians by which respective Schools Division Offices (SDOs) updated their data, gathered during the previous years of monitoring and evaluation. Unfortunately, there are no latest updates neither increase of information observed in the database up to this present year.

In this connection, this Office is humbly requesting your Office to continue the said monitoring and evaluation to ensure that appropriate updates shall be recognized. The profiling of school libraries is valuable in the provision of technical assistance that the Central Office (CO), Regional Offices (ROs), and SDOs provide towards the attainment of having fully functional school libraries and library hubs nationwide. Such data would serve as a baseline for both CO and respective Local Government Units (LGUs) in support of establishing these educational facilities.

For any query or clarification, please contact **Mr. Marlon G. Ompoc**, Librarian II of the BLR-Quality Assurance Division at telephone numbers (02) 8631-9294 or 8634-1054 and email addresses blr.lrqad@deped.gov.ph and marlon.ompoc@deped.gov.ph. We will appreciate your positive response to this request and we commend you for your continuous support to BLR activities.

Very truly yours,

ARIZ DELSON ACAY D. CAWILAN
