19 January 2023

DIR. WILFREDO E. CABRAL

Regional Director

Department of Education – National Capital Region

Quezon City

Dear Dir. Cabral:

The Philippine Science Heritage Center (PSHC), a premier science center in the country under the management of the National Academy of Science and Technology, Philippines (NAST PHL) and mandated by Republic Act No. 9107 to serve as the main repository of the achievements and contributions of Filipino scientists in science and technology, will be conducting **"Meet Your Scientist: Innovating with Engineering Sciences and Technology"** on **02 February 2023, 10:00 AM, via Zoom and Facebook Live.**

Meet Your Scientist (MYS) program aims to promote S&T to the youth and the general public. In this activity, renowned Filipino scientists are invited to share their knowledge and experiences on the chosen topic. It also serves as a platform to encourage the youth to pursue a career path in Science, Technology, Engineering, and Mathematics (STEM), increase awareness of the young minds on the given topic, and celebrate the contribution and knowledge of Filipino scientists.

May we request your **assistance in disseminating this information** to the **teachers, instructors, and students** under your supervision? Interested participants may register at <https://bit.ly/MYSEST>. Attached herewith is the program of activities.

Your positive response will be greatly appreciated. For concerns and inquiries, you may email us at salinlahi@nast.dost.gov.ph.

Thank you very much and stay safe.

Sincerely,

LUNINGNING E. SAMARITA-DOMINGO, CESO III
Director IV
