Dear Ma'am,

Greetings of Peace!

This coming March 15-17, 2023 we will celebrate our **27th Foundation Anniversary** with the Theme: **"Culture of Excellence at 27"**. We have lined-up various activities such as skills challenges, quiz bee, sports/games, orientation, seminars, pageants, medical mission, open house tour and among others.

One of the programs is the **"Orientation for Maritime Programs and Industry Updates"** on March 16, 2022 at 3:00 – 5:00 PM at the WBC auditorium.

The objective of this program is to provide Junior and Senior High School students a clear understanding of the maritime programs and the employment opportunity of graduates in the international shipping and manning companies. We have invited executives and experts from the maritime industry as speakers.

In this regard, we respectfully would like to ask permission from your good office to allow us to invite the Junior and Senior High School students from both private and public schools in Muntinlupa City to attend this event.

Your approval is highly appreciated. Thank you.

Sincerely yours,

  
**DR. EDGARDO P. GEGUENTO**  
Vice President for Academic Affairs
