Advisory No. 074, s. 2023
March 2, 2023

In compliance with DepEd Order (DO) No. 8, S. 2013
This advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.

INVITATION TO THE 3RD MVMNC

Attached is a letter from Mr. Virgilio Y. Prudente, Founder, MATH-Inic Philippines dated February 28, 2023 on the above-captioned title, contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s, 2005 entitled Instituting Measures to increase Engaged Time-on-Task and Ensuring Compliance Therewith.

Moreover, schools are reminded of the "No Collection and No selling of Tickets Policy" stipulated in DepEd Order Nos. 19 and 40, s. 2008 and RA Nos. 4206 and 5546.

NERISSA ROXAS-LOMEDA PhD
OIC-Assistant Schools Division Superintendent

ASO/ INVITATION TO THE 3RD MVMNC
074/March 2, 2023

**Math made fun, fast and easy!**

February 28, 2023

Ms. Carleen S. Sedilla
Schools Division Superintendent
Division of Muntinlupa City

Dear Madam,

Please join us as we move to dominate the international Vedic Mathematics scene for the third year in a row!

Your students and teachers will not want to miss this year's most exciting Math competition series, kicking off with the **3rd MATH-Inic Vedic Mathematics National Challenge (MVMNC)** on April 1, 2023. This series of national and international Vedic Math events will culminate in the **3rd International Vedic Mathematics Olympiad (IVMO)** in November 2023. The latter will be hosted by the Institute for the Advancement of Vedic Mathematics (IAVM), a British-registered charity dedicated to the furtherance of Vedic Mathematics worldwide.

Participants in the past two editions of the IVMO did the Philippines proud. In IVMO 2021, our Mathletes competed against eight other countries, landing on the top in four out of five categories, and garnering 35 gold, 70 silver, and 107 bronze awards—over 75% of the total awards given. In last year's IVMO 2022, our learners displayed their math mastery over 10 other countries, winning 152 gold, 329 silver and 530 bronze awards, which is almost 90% of all the awards given. Filipinos also scored highest in five of the six categories and took 18 of the 20 top three places.

For these achievements, world VM authority Kenneth Williams remarked that the "Philippines is the flagship country of Vedic Math in the world."

To maintain our position in the VM community, MATH-Inic Philippines is also helping coordinate other national and international events this year including the following:

- 1st Math2Shine International Vedic Math Competitions on June 4, 2023
- 9th International Online Vedic Math Conference in July 2023
- 5th Inspirational Maths from India webinar series in August 2023
- 4th Philippine National Vedic Mathematics Olympiad in Sept 2023
- 3rd International Vedic Mathematics Olympiad
- IAVM assessments for teachers and students

The 3rd **MVMNC** will be on a Saturday, April 1, to avoid disrupting classes. We have attached the mechanics of the event for your guidance, and a separate **invitation for Area Facilitators**, who will help administer the contest.

Participation in this event is purely voluntary but we hope that you will encourage the teachers and students in your division to participate. As you can see in our performance in the events, Vedic Math—with its emphasis on one-line mental calculations—is an ideal supplement to our current Math curriculum. May we kindly ask that your office issue an advisory to announce the event and encourage participation?

Those interested may visit the MATH-Inic Philippines Facebook page, <https://www.facebook.com/MATHInicPhils> or they can e-mail us at competitions@math-inic.com for more information.

We are looking forward to your favorable response. Thank you very much!

Truly yours,

Virgilio Y. Prudente
Founder, MATH-Inic Philippines
Honorary Life Member, IAVM
