LETTER OF INTENT

Office of Regional Director
Department of Education, National Capital Region
Misamis St., Bago Bantay, Quezon City

Sir:

Greetings in the name of the Lord Jesus Christ!

Before the pandemic, we, the **United Pentecostal Church (Phils.), Inc.**, has been permitted by the department to conduct **Campus Ministry** in schools within Metro Manila. Through this program, we were able to partner with some schools to impart Christian character and values to students, through teaching and counseling.

In line with the aim to continue this endeavor, we would like to request your good office permission to start again this ministry in high schools within National Capital Region, wherein students in their vacant time (at least 30 mins.) will be taught the Word of God, as *All scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness (2 Timothy 3:16, NIV)*. We believe that the educational institutions and the church could go hand in hand in developing our young people, not just academically, but also spiritually and character wise, especially during these times that emotional and spiritual support is very much needed because of the results of the global pandemic.

We will send our trained ministers from our local churches located within Metro Manila, and rest assured no offering nor will monetary fee be collected in these campus studies, as we are aware that the Department promotes religious teaching in public schools provided it entails no additional cost to the government (as per Department Order 49, Series of 2009). We will also promote no religious organization during sessions as our goal is not to promote any group, but to lead people to the Saviour, and mold their characters into His. If allowed, we are also open to hybrid setup of teaching.

We are praying for your kindest consideration. May the Lord bless you.

Sincerely Yours,

Pr. Paul Jake A. Tolentino
Campus Missions Coordinator
