Madam,

Good day!

Supporting the school is among the key duties of a school library and as technology evolves. The library must keep up with the trend to provide the best learning experience for our stakeholders. To prepare our schools to become one of the schools that provides a learning space that focuses on one-on-one interaction, open conversation among the learners, and a place where study groups are possible, we would like to visit some public and private schools in Metro Manila.

With humble reference from LRMS of DepEd-NCR, we would like to request your good office to allow us to conduct a visit and benchmark to Muntinlupa National High School on April 25, 2023 (Tuesday), at 8:00 AM.

Very respectfully yours,

LUCKY S. CARPIO, Ed.D
Education Program Supervisor
LRMS-CID
