Dear Ms. Carleen S. Sedilla,

Re: Corporate Partners for DepEd Muntinlupa City

We are from SMS Philippines, a healthcare marketing services agency. We are the agency of choice of select clients from the consumer and pharma industries. We would like to offer them an opportunity to partner with DepEd schools and departments as well. We believe that a partnership with educational institutions is a good channel for their marketing and communications efforts too.

In this regard, we would like to discuss a possible partnership between **SMS Philippines** and **DepEd Muntinlupa** for this. We would be looking for clients who can support your education and schools' development programs whether learner-, teacher- or parent-oriented.

We hope that you can grant our request for an initial meet-up to discuss this and eventually be endorsed to the point person/s for corporate partnerships to work through the details. I may be reached through my email at ed.sanpedrojr@sms-philippines.com or via mobile number **0945-800-0726**. I look forward to your favorable reply. Thank you.

With kind regards,
