SUBJECT : 18TH BSP NATIONAL SCOUT JAMBOREE

1. The Boy Scouts of the Philippines is pleased to announce the holding of another historic national event, the **18TH NATIONAL SCOUT JAMBOREE** on **11 – 17 December 2023** at Passi City, Province of Iloilo, with the **Theme: "Youth Engagement: Sustaining Relevance and Strengthening Resilience"**.
2. **Background.** This year's most awaited National Scout Event happens only every four (4) years and is expecting to host more than **30,000 Scouts and Leaders** nationwide with some special guests, and participation from other National Scout Organization from other countries.

Scouting is a global and educational youth Movement that builds friendships, experiences, and skills for life, shaping young people's futures as active citizens. Today, Scouting is the world's leading educational youth movement with over 57 million Scouts in over 200 countries and territories worldwide. Through its unique combination of education, adventure and fun, Scouting continues to be an inspiration for young people to become active citizens who are engaged in creating a better and more sustainable world.

A Scout Jamboree is the **"Mother of all Activities"** of a Scout's life, something every dedicated Scout and even Scout Leaders looks forward to and whose memories are cherished deeply afterward. In a Jamboree, Scouts expand their hearts and minds learning new things and discovering rich assortment of novel experiences. Such a gathering requires all the basic services provided by a city – shelter, water, market, hospital, fire department, toilets and showers, garbage collection and disposal, etc. With the exception of a prison!

3. **Rationale.** Through the years, the Boy Scouts of the Philippines (BSP) has played and continues to play a primordial role in the community and society as a youth organization that encourages and helps young people develop their individual potentials and capabilities and raise their level of awareness and importance of their responsibilities for social development.

Jamboree is learning by doing. Scouting's approach to education is guided by the principles and fundamental beliefs on which Scouting was founded over a century ago. It aims to contribute to the empowerment of individuals and their development as active citizens in their local, national, and global communities. Guiding this process is a diverse set of competencies in the Scout Youth Programme that focus on knowledge, skills, attitudes, and values.

The 18th National Scout Jamboree aims to provide a progressive, exciting, challenging, safe and enjoyable learning environment for the Scouts in order to enhance their full Social, Physical, Intellectual, Character, Emotional and Spiritual potentials as an active citizen making real contribution in creating a better community.
