DR. MALCOLM S. GARMA

Regional Director

Department of Education - National Capital Region

Misamis St., Bago Bantay, Quezon City

Dear **Dr. Garma**,

Isang maka-kalikasang araw!

The Environmental Management Bureau – National Capital Region (EMB-NCR), through its Environmental Education and Information Unit (EEIU), continues its mission to raise awareness and provide knowledge for environmental protection and conservation.

In 2009, the National Search for Sustainable and Eco-Friendly Schools (NSSEFS) started its journey to involve schools as key stakeholders to increase the participation of the academe in integrating environmental programs into the day-to-day routine of the students. We believe that our continued collaboration with the schools played a crucial role in the participation of our future environmental youth leaders in mitigating environmental degradation.

To give you a brief background, the NSSEFS was discontinued during the height of the COVID-19 Pandemic as most of the schools served as vaccination sites and quarantine facilities. This year, as we shift to the new normal, we are continuing the search for sustainable and eco-friendly schools.

In line with this, we would like to ask for the **active participation of 2 representatives** from the **listed schools and other interested institutions** to attend an **Orientation/Training of Trainers for Teachers** that aims to capacitate and provide them with information on the updated guidelines of the NSSEFS on **April 26, 2023, Wednesday via Zoom**. To **confirm their participation**, kindly fill-out the provided pre-registration link: <https://bit.ly/NSSEFSPreReg>.

Our staff, Ms. Ivy Arenas will coordinate with your office regarding the matter. Should you have any concerns or queries, Ms. Arenas can be reached at 8931-1331 local 1115/1117.

Thank you in anticipation of your favorable response.

Sincerely,

ATTY. MICHAEL DRAKE P. MATIAS
