Advisory No.160, s. 2023

May 17, 2023

In compliance with DepEd Order (DO) No. 8, s. 2023

This Advisory is issued for the information of DepEd officials, personnel/staff, as well the concerned public.

EDUCATIONAL PROGRAMS AND ACTIVITIES FOR SY 2023-2024

Attached is DepEd NCR advisory No. 13. S. 2023, dated April 26, 2023 on the above-captioned activity, contents of which are self-explanatory, for the information and guidance of all concerned.

Participation of public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order no. 9, s. 2005 entitled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith."

Moreover, schools are reminded of the "No Collection and No Selling of Tickets Policy" stipulated in DepEd Order No. 19 and 40, s. 2008 and RAs Nos. 4206 and 5546.

SUBJECT: Request for an advisory or permission to visit schools for D' Great Rovers Events Management's different educational programs for SY 2023 - 2024.

Dear MADAM:

Vita veritatis et amoris ex gratitudine... In a life of truth and of love in gratitude!

~~D' Great Rovers Events Management~~ is an event organizer that assists schools and other organizations nationwide in conducting laudable projects and activities.

In line with our commitment to support and implement fun, interactive, and non-traditional educational programs and activities, we will be promoting to different schools under your supervision the following interactive programs for **SY 2023 - 2024**:

- a.) **Digital Mobile Planetarium** – An Astronomy Awareness Program through which learners can see firsthand proofs of outer space. Be amazed of the biggest and the heaviest meteorite in the Philippines.
- b.) **Ex-Sci-Tricks** – An exciting science concepts and tricks, magic, illusions and a virtual reality experience.
- c.) **Balik Tanaw** – Adbokasiya upang makatulong sa pagpapalakas at pagpapakilala sa kamalayan ng bagong henerasyon ang kagandahan ng tradisyon at Kulturang Pilipino sa iba't ibang dako ng Pilipinas noon at ngayon.
- d.) **Pisara** – Ito ay isang pelikulang nagbibigay halaga sa buhay at pangarap ng isang guro at ang kanyang pagmamahal sa pamilya. Ito rin ay isang adbokasiya upang maipalam ang sakit na cerebral palsy at ang kahalagahan ng edukasyon sa buhay ng tao.
- e.) **If Only** – An advocacy film against drug misuse and abuse, and how it affects the human body.
- f.) **Robotics** – A step towards stimulating the innate ability and interests of every child in playing, creating and eventually leading to solving problems and programming different theories and concepts. A basic approach to integrating areas of Science, Technology, Engineering and Mathematics (STEM).
- g.) **Care and Dare** – An environmental awareness program, including plant and animal care, weather forecast, global warming and other disasters that are relevant and need to be paid attention to.

We believe that these activities are powerful teaching tools designed to educate and enlighten as much as they are to entertain. Topics are carefully selected and integrated into the Department of Education's existing curriculum to meet recognized educational standards. **Thus, we are one in promoting quality education while following the protocols in maintaining the safety of the learners. In fact, these activities are to be conducted inside the school premises. No risks of going out to different places.**

We are praying for your valuable recommendation about these worthwhile projects, as we look for **VOLUNTARY PARTICIPANTS from Nursery to Senior High School**. With your utmost and endearing support, we will certainly provide the learners and the general public with valuable educational resources and unforgettable dynamic learning experiences.

Attached herein are concept papers for your perusal. We will be happy to discuss with you, at your most convenient time, the details of how these projects could work for the entire academic community. Should you wish to inquire, please call/text the undersigned at **0927 – 607 1441 / 02-6973465**.

Thank you and we are looking forward to a harmonious and meaningful partnership with you.

WITH YOU IN SERVICE,

DINA P. CEDENIO
Event Organizer

DIGITAL MOBILE PLANETARIUM

Think. Explore. Experience.

The universe is in our hands!

Astronomy, in general, is as important as our own lives. It has significant effects and connections of the things that has been happening around us. Fascination and curiosity go beyond the horizon. Teaching Astronomy made easier with the use of Planetariums. Students will definitely have fun learning about the planets, sun, moon, meteor, constellations, nebulas, galaxies and other celestial objects. Excitement becomes high when they see real space rocks and telescopes. Most importantly, students' interests become goal in life. It is then that we must study and experience the first step towards astronomy awareness. Let the students extend and share their knowledge about this subject from the school to their own families. Who knows... your student may become one of the greatest astronomers of all time!

OUTER SPACE

20 - 30 minute-simulation of the day and night time sky inside an inflatable dome

WATCH OUT !

20 - 30 minute-film showing

SPACE ROCKS

MINI MUSEUM

Collection of real space rocks, photos and other astronomical materials

IN THE MAKING...

20 - 30 minute-hands-on activity

BONUS ACTIVITIES

(IF THE SKY IS CLEAR)

SOLAR VIEWING

STARGAZING

0966-6628519

D' GREAT ROVERS

DIGITAL MOBILE PLANETARIUM

RATIONALE

Astronomy, in general, is as important as our own lives. It has significant effects and connections of the things that has been happening around us. Fascination and curiosity go beyond the horizon. Teaching Astronomy made easier with the use of Planetariums. Students will definitely have fun learning about the planets, sun, moon, meteor, constellations, nebulas, galaxies and other celestial objects. Excitement becomes high when they see real space rocks and telescopes. Most importantly, students' interests become goal in life. It is then that we must study and experience the first step towards astronomy awareness. Let the students extend and share their knowledge about this subject from the school to their own families. Who knows... your student may become one of the greatest astronomers of all time!

ACTIVITIES INCLUDE:

students will be able to see the virtual night sky, constellation, planets and others.

1. Mobile Planetarium Dome

Students will enter into a small, portable version of the permanently installed planetarium. It is an inflatable dome that can accommodate students for lecture about astronomy. With the help of a projector inside the dome,

2. Watch Out! (Film Showing)

Thirty (30) minute film showing will be expected in this event. There are varieties of films to choose from to suit the needs of the students.

3. Photo Rocks (Exhibit)

It features collection of photos. These photos highlight the solar system including the planets, deep sky objects and others. Real space rocks such as meteorites will also be featured. A mini-lecture shall be expected in this activity where students and teachers may ask questions about the updates in astronomy.

D' GREAT ROVERS DIGITAL MOBILE PLANETARIUM

(Tel. Nos. 02 - 6973465 / 0943 - 4118590 / 0995 - 3665580)

4. In the making....

It's a hands-on activity where students learn how to make their own star papers. In this activity, students will be able to show their creativity and imagination in designing their own stars.

BONUS ACTIVITIES INCLUDE:

1. Sun Spotting or Solar Viewing

The students and teachers will get the chance to experience actual viewing of the sun through the telescope. This activity, however, depends on good weather and a clear sky.

2. Stargazing or Telescope Viewing

Students and teachers line up at night for the actual observation of the sky using the telescope. It is to be done if the sky is clear and if the weather is good.

3. One Click!

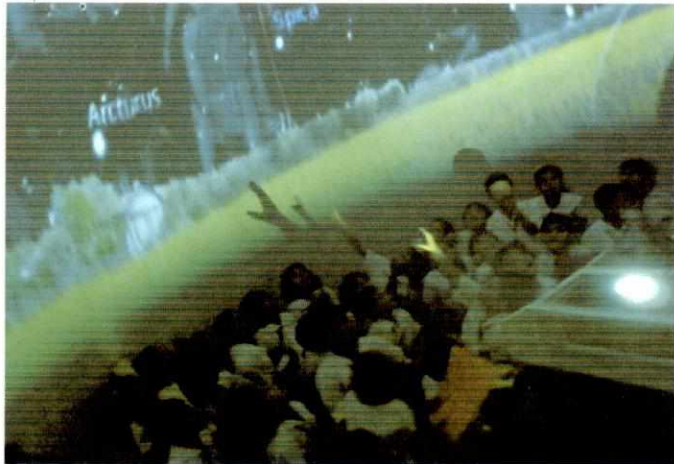

This activity is made just for fun! Students will have their photos taken as souvenir for the event.

4. "The Great Rovers...We are!!!"

It is a group of students, teachers and individuals advocating astronomy awareness. It is where additional activities may be conducted outside the school. Its ultimate objective is to create a significant contribution towards astronomy awareness and be able to be recognized by the international astronomical society.

rovers

ex-sci-Tricks

SCIENCE FILLED WITH MAGIC!
MAGIC FILLED WITH SCIENCE!

EX-SCI-TRICKS

Activities include:

A* One, Two, Tricks

In this station, different materials and science tricks will be featured. It is an interactive area wherein students will be able to manipulate different materials that is being exhibited.

Exhibit materials include shadow catcher, color shadow, money detector, invisible ink, illusion photos, plasma ball, electric buzzer, balloon bombing, hologram, anti-gravity mirror, and many more....

B* Mind Boggling

It is a game area where all the members of the group will be able to participate actively to solve different games and puzzles. There will be a free photo souvenir for the winners.

C* Magic Science

It is a magic show where science tricks are incorporated. Students will be able to see and participate on how a simple act is magically performed and will turn out differently to what is being expected to come out. It's a fun filled science magic station that will surely blow your mind!

**** The activity is divided into three separate stations (i.e. A, B, C). Each group will have fifty (50) students except Magic Science which requires a minimum of three hundred (300) students. Two (2) separate flows is expected by the students.

**** Thirty (30) minutes per station (A and B) and 1 – 1 ½ hour for Magic Science.

Please contact

/ 0966-6628519 / 02-6973465 for details and inquiries.

BALIK TANAW

(Kulturang Pinoy)

RASYONALE

Mahalagang balikan natin ang ating nakaraan. Ito ang magbibigay sa atin ng inspirasyon upang matuto, sumulong at magtagumpay sa hinaharap... bilang tao, bilang mamamayan, bilang Pilipino at bilang bansang Pilipinas.

Ang **BALIK TANAW** (Kulturang Pinoy) ay isang adbokasiya na naglalayong maipamahagi at maitaas ang antas ng pagpapakilala at pagpapaalalang muli sa ating mga mag-aaral ang kultura ng ating bansa. Makikita dito ang kontribusyon ng bawat Pilipino, kasama na ang iba't ibang etnikong grupo, sa pagbuo ng ating kultura't lipunan noon at ngayon. Ito ay isang pagkakataon o oportunidad upang malaman, makita, mahawakan at maranasan ng ating mga mag-aaral ang ilan sa mga importanteng bagay at gawain na naging bahagi na ng ating kultura at kasaysayan. Ang Balik Tanaw ay naglalayong buhayin sa kamalayan ng mga bagong henerasyon ang kagandahan ng tradisyon at kulturang Pilipino, at muling maisapuso ang kasiyahan at kabutihan ng pagiging mamamayan ng ating bansa. Sa programang ito, mararanasan at mapapatunayan ng ating kabataan na mas masarap, masaya at maswerte ang maging isang Pilipino.

Sa ating partisipasyon, hinahangad natin na tayo ay muling makabuo ng isang matibay na kabataan, pamilya at komunidad na may puso at pag-iisip ng isang tunay na mamamayang Pilipino.

Balikan. Tanawin. Paigtingin ang Kulturang Pilipino.

BALIK TANAW

(Kulturang Pinoy)

Mga Bahagi ng Programa:

a. Ating Suriin (Exhibit)

Makikita rito ang iba't ibang kagamitan o bagay na kadalasang ginagamit sa mga lalawigan ngunit bihira nang makita ngayon, lalo na sa mga urban na pamayanan. Mayroon ding mga larawan ng iba't ibang lugar sa Pilipinas kung saan napanatili ang natural na kagandahan nito. Magkakaroon ng maikling talakayan ang mga mag-aaral at ang namumuno sa bahaging ito ng programa.

b. Tayo nang maglaro!

Maingay at masaya ang bahaging ito ng programa dahil sa sigawan ng mga mag-aaral na maglalaro sa kani-kanilang koponan. Larong Pinoy ang mararanasang muli dito ng mga mag-aaral.

c. Lakad na!

Ito ay isang pagpapakilala sa ilang kasuotang Pilipino kung saan mga mag-aaral ang magsusuot at lalakad upang ipakita ang mga kasuotang ito. Habang lumalakad sa harap ay mayroong nagpapaliwanag nito.

d. Iba ka... Ikaw na

Ang mga mag-aaral dito ay manonood ng isang maikling pelikula tungkol sa ilang kaugaliang Pilipino.

e. Bonus:

*20 – 30 minuto bawat bahagi maliban sa "e". Ang kabuuang programa ay tatakbo ng 2 oras.

*50 mag-aaral bawat bahagi; May 200 na mag-aaral sa kabuuan ng bawat batch.

D'GREAT ROVERS EVENTS MANAGEMENT

Ito ay ang kuwento ni Michelle “Mich” Orot, isang dalaga na nakatira sa isang bayan sa Nueva Ecija. Mula pagkabata ay namulat na si Mich sa mahirap na buhay. Ang kaniyang magulang ay parehong magsasaka at walang pinag-aralan. Isang kahig, isang tuka. Lalo pa itong naging mahirap nang ipinanganak ng kaniyang ina ang nakababata niyang kapatid na si Michael na mayroong severe Dyskinetic Cerebral Palsy. Dahilan upang lalong pagsumikapang matupad ni Michelle na maging SPED Teacher upang personal na matugunan ang espesyal na pag-aruga sa kaniyang kapatid, ganun na rin para maturuan ang kaniyang mga magulang kung paano bumasa’t sumulat.

Sa gitna ng pagtuturo ay biglang nangisay si Michelle at napag-alaman nitong mayroon siyang Juvenile Myoclonic Epilepsy.

Paano tutuparin ni Michelle ang pagpapagamot sa kaniyang nakakabatang kapatid na may sakit kung siya mismo ay may sariling sakit na pinagdaraan? Ano ang magiging epekto nito sa kaniyang trabaho bilang SPED Teacher? Bakit nasabi ni Michelle na ang kaniyang buhay ay parang isang PISARA na pagkatapos niyang paghirapang may maisulat ay agad namang mabubura? Paano rin maisusulat at mababago ng mga magulang ni Michelle ang karanasan at takbo ng kanilang buhay?

Ito si Michelle. Ito ang kanyang pamilya. Ito ang kanilang kuwento.
