Dear Director Cabral,

The Philippine Heart Association Council on Cardiopulmonary Resuscitation is planning to stage an annual CPR Quiz Bowl to be participated in by senior high school students from all over the country.

The purpose of this activity is to propagate awareness on CPR in the young as one important step in making the Philippines truly CPR-ready in the future.

We envision that each chapter of the PHA will be conducting their own local CPR quiz bowls and the winners will be representing their respective chapters in the nationals. This is the grand plan, and our strategy is to start small and step by step.

To start this ambitious project, we want to begin with an invitational quiz bowl to be participated in by at least 10 schools within the National Capital Region on May 23, 2023 1:00-3:00PM as part of the pre-convention activities of the 2023 PHA Annual Scientific Meetings and Convention at the Edsa Shangri-La Hotel in Mandaluyong.

In this regard, we would like to collaborate with the Department of Education in staging this first-ever quiz bowl.

It is my hope that you will appreciate the impact of this activity in promoting this relevant and timely advocacy that we have shared with you in the past many years. We hope that you become our partner in staging this first ever event and possibly, our annual partner in the coming years.

May we set a meeting with you or your representative to further discuss details that can push this endeavor to fruition.
