In our recently concluded Barangay Coordinators meeting held on May 5, 2023 with the attendance of Dr. Lilia Palce from School Division Office (SDO), one of the agreements is for SAGIP, Barangay and in partnership with SDO to conduct school caravan to address child abuse disclosure in the schools. The school caravan which is set to take place in June for public schools and July for private schools, entails activities such as case management, conduct of students' and parents' orientations and will be undertaken by our team composed of Social Workers, Psychologist and Case Managers and the barangay VAWC desks who are tasked to make initial coordination with schools in their respective areas.

To date, the following schools and scheduled date of caravan have been worked out between the school and the barangay VAWC desks.
