WILFREDO E. CABRAL
Regional Director, DepEd NCR

Dear Sir Cabral,

Greetings from the Science Clubbing Movement!

The **Pambansang Kapisanan ng mga Kabataan Samahan ng Agham (Philippine Society of Youth Science Clubs), Inc.** is a country-wide organization committed to upholding the significance of science clubbing and in promoting public understanding of science, technology and environment. In a span of 52 years, the PSYSC has conducted positive, practical, and realistic activities and programs for elementary and high school students which enhance their academic perspective and their environmental and social awareness.

In this regard, PSYSC will be once again spearheading NYSTESC 2023 with the theme being **Fulgeum: Restoring the Order of the Fractured Lattice** which is scheduled on **August 25 to 28 in Davao Region**. For this year, we will be focusing on **Materials Science and Engineering**, the discipline anchored on the understanding of materials and its applications to solve real-life problems.

We are humbly requesting your office's assistance for the said event by issuing a **memorandum**, if possible, or a **regional advisory** endorsing and with utmost dissemination of our events to our secondary schools in the region.

Attached here in this email is the letter of our request, a sample draft of the advisory, invitation letter for the schools and the event guidelines. Further details of our event can be found through our Facebook official page or event page. If it happens that you or other interested schools have further questions, please do not hesitate to direct their concerns to us through email (nystesc2023@gmail.com) or send us a message at 09156789408.

We are hoping for your most positive response.

In the service of the Filipino Youth,

Valerie Anne E. Castillo
